

Schedule Outpatients Data Entry

The screenshot displays the 'CarePoint Outpatient Master Menu' application. The main window shows a 'Patient Scheduling' view for Tuesday, Dec 15, 2009. The grid lists appointments for five staff members: Frank D'Angelo, Mary Gernerman, Julia Goodwin, Tom Rackett, and Sandra Sarnoff. A 'Schedule Appointment' dialog box is open, showing details for a patient named Ben Benson, scheduled with staff member Tom Rackett. The dialog includes fields for patient name, address, and phone numbers, as well as an 'Appointments' table listing past and future appointments.

Callout Box 1 (Top Right): Review authorization limits, duplicate future appointments, & collect co-payments easily.

Callout Box 2 (Bottom Left): Perform multiple tasks right here. Check therapist availability, schedule patients, & control the appointment status.
